

Joshua Blakely

TECHNICAL RIDER

ARTIST will provide an iPad loaded with the presentation and an adapter for the projector.

NOTE: The ARTIST'S iPad only has one lightning port. Audio and video are output on this one port and ARTIST'S adaptor has only one HDMI output.

Display system

- PURCHASER to provide at least one projector with an HDMI input and a cord long enough to allow the artist's iPad to remain on stage during the performance.
 - NOTE: If the venue requires multiple, linked projectors for visibility then the PURCHASER shall be obligated to provide for such.
- PURCHASER to provide screen(s) on which to display the projector(s) referenced above.

Audio system

- PURCHASER to provide an audio system, which can accept input from an HDMI output from the artist's iPad.
- PURCHASER to provide necessary components to utilize the sound output from the HDMI signal.
- PURCHASER to provide a lavalier-style, wireless microphone.

Technical support

- PURCHASER to provide support staff before and during the performance to ensure audio/visual equipment is functioning, adjust audio/visual inputs and outputs, and perform all other technical tasks needed to allow the artist to deliver his presentation.
-

Acceptance. We acknowledge and confirm that we have read and approved the terms and conditions set forth in this rider as deemed by our signature below.
